

Edge of page - If you would like your artwork to extend to the very edge of your finished ad then pull your artwork to the edge of this page.

Page Size: Magazine 8.5x11

This grey Area = Margin/Safe Text and Art Boundary

USE THIS TEAMPLATE ONLY AS A GUIDE. Once done sizing your ad, hide or delete this template so it does not show in your final file.

Please note, all critical text and art should appear within this gray area. Any content outside this area may be unevenly trimmed or hidden by the gutter when the magazine is bound.

Be sure to review your exported PDF in an outside program (like Adobe Reader) to ensure it appears correctly and without these instructions.
